

Collision Kills Grayling Couple

Clarence Davey, 55, and his wife, Norma Davey, 52, were killed Saturday night when their car collided with a military truck on Military Road. Two military men in the truck reported no injuries after the accident near 10 p.m.

The truck was allegedly backing across Military Road toward Beaver Creek Dr., the rear entrance road to Camp Grayling, when the Daveys' car, heading south to their home on Five Mile Rd., struck the side of the truck, police said.

Investigation of the accident continues by the Crawford County Sheriff Dept.

Physicals for School Athletes Aug. 13

Physicals for middle and high school athletes will be held Saturday, Aug. 13, at 1 p.m. at the middle school gym. All athletes expecting to play school sports must have a physical.

Tickets Available For Annual Winter Carnival Roast

The song goes "You Only Hurt the One You Love," and in this case the intentional hurt will be taking place this month as Ron Fraser will be hosted and roasted in an annual fund raiser for the Grayling Winter Carnival.

Fraser, owner of the Grayling Holiday Inn, will receive a taste of good-humored frivolity from his friends and neighbors at a dinner on Aug. 25. He will be greeted with a barrage of comments about his life, his accomplishments, and certainly his misadventures.

The affair will take place beginning at 6:30 p.m. at the National Guard Armory. Tickets for the fund raiser can be obtained from the Holiday Inn, Northern National Bank, Cornell Realty, and the Chamber of Commerce and will be \$8.50 each.

The annual roast is a major fund raiser for the carnival which this year has plans to have a better-than-ever program during the first weekend in February.

Hanson Park Scratches Bluegrass Festivities

Due to the unavailability of participants, officials at Hanson Park have found it necessary to cancel the Bluegrass festival which was scheduled for the park on August 13. This cancellation is a big disappointment to the park for a number of reasons, not the least of which would be the amount of funds such an event as this would generate. Information concerning the festival has been in the hands of the Michigan Bluegrass Music Association for several weeks but there seems to be little interest among its members for the Grayling Festival, one reason perhaps being that a Bluegrass Music Convention has been scheduled at Greenfield Village for the same weekend.

Anyone who has purchased a ticket to the Hanson Park Bluegrass Festival may receive a refund by returning their ticket to the park office. Hanson Park offices are open from 9:00 a.m. until 5:00 p.m. Monday through Friday with park personnel on duty also during the evening and weekend hours.

The Hanson Park Bluegrass Festival was designed to be a major fund raising event for the community recreational facility. Following a disastrous ski season last winter, members of the Grayling Recreation Authority have found finances in limited supply. It was hoped that with fund raising activities such as the planned Bluegrass event, the park would be able to hold on until the beginning of the 1983-84 ski season but with the cancellation of the festival, the picture is bleak at best. The park will play host to Crawford County's first county fair on August 19, 20 and 21. It is assumed that the Grayling Recreation Authority will be faced with the decision concerning the future of the park at their September meeting.

Gas Tax Revenues Continue Increase

Gas tax revenues to Crawford County and the City of Grayling increased for the second quarter of 1983 compared to 1982 second quarter figures.

Although gasoline consumption in the state declined, a 2 cents gas tax increase boosted total revenues.

Crawford County received \$211,653 in 1983 up from \$198,616 in 1982. The City of Grayling received \$11,984 up from \$10,951.

Neighboring counties Roscommon and Otsego received \$268,969, up from \$249,519, and \$263,028, up from \$242,252 respectively.

Gaylord received \$19,347, up from \$17,760, and the village of Roscommon received \$6,591, up from \$6,050.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 9-16 Aug. 83.

The Small Arms ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 8 a.m. on 9 Aug 83 and cease at 7 p.m. on 16 Aug 83.

The Mortar Range located south of main post, bounded on the west by Cadillac Rd and on the east by Carrier Rd. Firing will begin at 8 a.m. on 9 Aug and cease at 12 p.m. on 11 Aug 83.

The Demolition Ranges located south of Howe Rd, west of the Crawford County Line, north of Daniels Road and east of the gas pipeline. Firing will begin at 8 a.m. on 9 Aug 83 and cease at 9 p.m. on 16 Aug 83.

The Range 30 Complex located north of North Down River Rd, east of Jones Lake Rd, south of County Rd 612 and west of Damon Truck Trail. Firing will begin at 9 a.m. on 9 August 83 and cease at 12 p.m. on 12 August 83.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8 a.m. on 9 Aug 83 and cease at 12 p.m. on 16 Aug 83.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

'83 Milltown Festival Rated As Best Ever

Pride in Grayling and the Crawford County community was reflected last week as hundreds of residents turned out in costume to celebrate the Milltown Festival.

According to Don Geiss, public relations director for the Grayling Regional Chamber of Commerce, the community response to the wearing of garb appropriate to the logging era was excellent.

Sherry Hanson, chairperson for the Mud Wrestling contest, said that the affair was conducted with a standing room only audience of 500 persons. She noted that it was so successful that another contest will be held during the winter as a fund raiser for next year's festival.

The kick-off event for the Milltown Festival, the AuSable International Canoe Marathon, was attended by more persons than ever, according to canoe race of-

ficials. The event, won once again by Butch and Brett Stockton, was preceded by a highly successful Kids Trout Fishing Contest. The angling affair, sponsored by the Winter Carnival Committee, had 246 youngsters registered. Geiss said that it was a key to attracting more persons to the downtown area and to other activities in the City Park.

Geiss pointed out that the participation of senior citizens was very evident during the festival. They made up the majority of participants in the costume parade and a couple, Angela Kirkum and Earl Westbrook, were selected for the best costume award. Joe Kessler and Susan Noteware took individual honors while Lora Gould, Helen Leykauf, Ed & Velma Lobdell, Don Geiss, and Bill, Sherry and Troy Haag won honorable mention.

Jerry & Ann Morford also won honorable mention.

The Milltown Festival Committee, chaired by Col. Ivan Gwilt, began preparations for the successful program last October. Gwilt and his committee met regularly throughout the winter and spring to plan every detail of the festival. They stepped up the frequency of meetings during the summer to round out the program.

Geiss pointed out that the early publication of the printed program was evidence of the fine advance planning that the committee conducted. He noted that advance promotion also contributed to a large visiting audience for the festival. Three separate news releases were made during July to over 60 newspapers, radio, and TV stations in the areas where travelers frequent Crawford County.

Three television stations covered the start of the canoe race and two of them, Channel 9 and 29, had news features covering the festival.

The Grand Parade on August 6, a traditional highlight of the festival, was carried off in excellent fashion by parade director Chuck Fick. While no past

Blanchard Here Friday To Review MANG Troops

During Aug. 6-20 at Camp Grayling the Michigan Army National Guard will go through intensive training designed to make the Guard more combat efficient and ready to react quickly to natural disasters, civil disturbances, and its ultimate mission of defending the nation.

Units attending Annual Training 1983 include the 46th Brigade consisting of infantry, armor, and field artillery units; the 46th Engineer Group; the 177th Military Police Group; and the 72nd Support Brigade within which ordinance, signal, maintenance, service and support, hospital, and aviation units function.

During this year's training, members of the 119th and 182nd Field Artillery will train out of a base camp located in a Camp Grayling training area for the entirety of the two

weeks. "Tent City" the area in the west end of Camp Grayling will accommodate the entire 46th Engineer Group. Also roughing it this annual training will be the 3rd Battalion of the 126th Infantry in shelter halves at a designated training site near Lonesome Lake. Other units will stay in barracks on Camp Grayling for the majority of their training.

Governor James Blanchard will be present for the Annual Review of the troops scheduled for 4 p.m., Aug. 12, on the camp parade field.

Friday will mark the first time Blanchard has reviewed combined units of the Michigan National Guard. Blanchard, who is the Commander in Chief of the Michigan National Guard, also is expected to address the troops on the parade field. The annual event is open to the public.

Deficit Closes Airport On Weekend; 2 Laid Off

Grayling McNamara Airport — already running \$20,000 in the red after six months this year — has been forced to close on weekends and lay off two employees.

Compounding this year's problems is a \$42,663 deficit accumulated during 1982. And despite laying off two employees and reducing hours at the airport, the deficit will likely grow the rest of the year. Crawford County Treasurer Joe Wakeley figures the airport will cost the county \$76,000 this year — far above the \$15,000 the county budgeted for airport operation.

Currently the airport is supported through its own revenues and the county. A new transportation agreement will split the cost of airport operation among the county (67.93 percent), township (23.3 percent) and city (8.77).

A special meeting of the new transportation authority Thursday brought out the possibility of contracting the airport operation out to an individual as at Roscommon County and West Branch airports. Two individuals at the meeting, both recent graduates of Kirtland Community College's aviation mechanic program, said they were interested in operating the airport through a contract agreement.

The airport is currently being run by Al

Livrance, a volunteer manager, Gil Ashton, the assistant manager for nearly four years at the airport, handed in his resignation at the meeting in order to take a better job.

Crawford County Commissioner Jeannette Kitchen was one of the several persons expressing desire to keep the airport open more hours including weekends. She said she received more phone calls about the airport closing than she has on any other subject in her nearly five years as a commissioner.

After the two lay-offs, airport hours were reduced Aug. 1 to 9 to 5 p.m. Monday through Friday.

Commissioner Larry Mattis and CCPT Director Chet Johnston brought more bad news to the meeting. At a state meeting concerning new unemployment laws they found out the county will have to pay the full unemployment costs for the two former airport employees up to 39 weeks — meaning expected savings from the lay-offs will be greatly diminished.

Complicating financial matters are an aging snowplow truck and jet fuel truck expected to break down for the final time soon.

The Crawford County Board of Commissioners will look at possible solutions at their Tuesday, Aug. 9, regular meeting.

Martinez Aces #3

Rudy Martinez joined golf's elite club last week scoring a hole-in-one at the 185-yard third hole on Grayling's country club course.

Martinez used a five wood hitting into a slight wind to record his first hole-in-one. Martinez, a low handicap golfer, has been golfing for about 20 years since taking up the game while in the service.

Witnessing the feat was Bill Worden, Al Zigala, Bernie Pottorff, Tom Grant, and Norm Hanson playing with Martinez in a round of scrambles.

Pilots Improve Night Vision

By Glenn Taylor

Have you noticed, there has been an increase in helicopter activity at night this year? Seems like the National Guard is flying around-the-clock! As a matter of fact, they are. Utilizing specially designated training sites to best avoid populated areas and adhere to all noise abatement procedures, night training is being conducted in the Roscommon, Kalkaska and Crawford County areas.

The increased activity is due to a new item of equipment (Night Vision Goggles) recently integrated into the tactical training program of the National Guard Aviator.

Throughout history darkness had denoted a time for the soldier to rest and

regroup. No longer! The future battlefield will be in conflict both day and night. The sophistication of electronic detection and warfare has commanded the necessity for combat readiness at any time. Survivability will dictate flight as low to the ground as possible, to prevent radar detection, and extensive conduct of maneuvers at night. This has posed a tremendous strain on the training program of the Army Aviator. Where once night flying was a requirement only for purposes of maintaining proficiency, night flying has now become a most intricate part of Army Aviation Tactical Training Program, Pro-

Tracking Dog 'Nose' His Job

Lex, a new tracking dog for Crawford County handled by Linda Sprague, knows how to take a bite out of crime. Since reporting for duty July 30 with Crawford County Sheriff Reserve officer Linda Sprague as his handler, Lex has been called out four times and has helped collar four suspects.

On August 2, Lex helped sheriff officers Jim Parker and Bill Heemer catch two breaking and entering suspects in Beaver Creek Twp. Caretakers on a residence in the township had spotted suspects leaving the property and alerted police. Police sighted the suspects near the scene and Lex helped search an area where they had fled on foot.

On Aug. 4, Lex tracked a scent from a breaking and entering 22 hours after it happened and still managed to lead police to two juvenile suspects. The B & E occurred at Richard and Clara Coyers summer home near Big Creek Lodge Rd.

L.E.I.N. System Receives Workout

The new Law Enforcement Information Network terminal installed at the Crawford County Sheriff Dept. has been earning its pay scoring "hits" on wanted criminals or runaways.

On May 16 Antrim County, who like Crawford County had just joined the network a few days before, entered a runaway youth into L.E.I.N., at 10:42 p.m. Less than an hour later L.E.I.N. operator Larry Akers at the Crawford Co. Sheriff Dept. ran an inquiry on the youth for Deputy Jeff Anthony, who had stopped the youth on the road. The Michigan Sheriff's Association Magazine mentioned the incident as an example of how the L.E.I.N. system can help return juveniles to custodians before they get into serious trouble.

In one month, the system was used more than 1100 times to supply information to the sheriff dept., city police, Camp Grayling, DNR, district court, probate court, prosecutor's office, probation officer, and Frederic Twp. Constable.

Six wanted persons were arrested after the L.E.I.N. supplied officers with information about the suspect during a traffic stop.

From Our Corner...

The weatherman graciously smiled on Grayling the past two weeks to afford perfect weather for this year's annual Milltown Festival...our area is in dire need of rain and we did receive some during the two weeks but it was during the night or early morning so that it didn't effect any of the activities that were planned...

Saturday's Grand Parade was possibly one of the best if not the best in recent years as far as number of units in the parade...it was a great finale for two weeks of fun in Grayling...and a spokesman said Saturday that plans are already in the works for next year's Festival...

All of our life we have been the watcher of the many parades...many of them we spent the time taking pictures for the paper...of late we have had help and have only stood by and watched as the units passed in review...not so this year, Saturday morning as we were going through our mail we received a phone call from Sheriff Joe White, asking if we would like to ride in the parade...our first thought went to the paddy wagon, and our second thought to the year when tickets were sold to put us in jail during the Milltown Festival...at first, we told Joe no...then we got to thinking that all we have ever seen is the parade pass us...so we decided why not ride in the paddy wagon and be in the parade and ride by and look at the people watching the parade...it was fun...we were lucky...the other fellow in the paddy wagon was Attorney Dave Sabin, he got us both out of jail when the parade was over...

People laughed at Monday's luncheon honoring Sherry Hanson as Grayling's Citizen of the Year when it was announced that it was her idea solely for the mud wrestling event that took place on Wednesday evening...everyone said it would be lucky to draw 20 people...Sherry has the last laugh...the event was a sell out and earned \$1,818.00 and those that laughed first are now saying it has to be an annual event...it is an easy way to earn money...that is if your not a mud wrestler...

We lost another friend last week with the passing of Jack Mason...we have known Jack since he started writing a column in the Avalanche during Robert W. Strong's Editorship, and than later on when we became editor...Jack wrote under the pen name of Jack Pine Stump and had his own logo which was drawn by Polly Mikesell who at the time worked in the office for the Strong's and for a short time for us until she retired...Jack was a fine writer...the problem he should have been writing for a large daily...at times he was to controversial for a small weekly paper such as ours and we would hash out many of his columns on Sunday when he would bring them in...always parting friends, even if there were differences in opinions...personally after the many Sunday visits we had with Jack, we know he is happy now that he is with his beloved daughter that he and his wife lost when she was real young in a tragic accident...that alone took its toll on Jack...so now in newspaper language it's -30- for Jack Mason...his suffering is over with...

If things go as planned we will have our Traverse City girls with us for a few days the end of the week...Toni, T.J. and Stefany are going to drive John's mother over to Grayling Thursday to meet friends to go to Detroit for a wedding and the girls plan on spending until Sunday with us so they can take Dorothy back to her home in Elk Rapids...

This takes care of this week's efforts...we know that if you were in Grayling last weekend you had a good time...the Festival was termed a huge success...so now, good night T.J., Stefany and Amber and to all of our readers have a nice weekend and plan on taking in the Crawford County Fair August 19th, 20th and 21st...

The Bible Speaks

From Calvary Baptist Church

RED OR DEAD?? Slavery or Liberty??

As the voice of the nuclear protestors continues to echo across America, we who believe the Bible, need to silence their selfish and fearful cries with truth. Future events in prophecy already foretold in the Bible, assure us this planet does not face nuclear self-destruction as the prophets of doom forecast. To have rejected bows and arrows for clubs, or gunpowder for bows and arrows would have been just as stupid for our ancestors as it would be for us to reject nuclear weapons today in the face of a Communist threat of conquest.

A few days ago I had the privilege of visiting Arlington cemetery and viewing the miles of markers of dead heroes who helped make our liberty and peace possible today. I also had the repulsive opportunity to see and talk with those pacifists who desecrate the area in front of the White House with their nuclear protest posters. One of these inconsistent cowards assured me he would offer resistance to defend his own life, yet he cared not enough for his loved ones, friends and country to support the force necessary to repel Communist aggression from Russia.

Just as the history of the human race is filled with warfare from the garden of Eden unto our generation, even so, our Lord Jesus Christ assured us this pattern would continue until He comes again to restore peace to the earth. Matthew 24:6, 7. "And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places."

Jesus also reminded us within the above context that there would be false

prophets and antichrists trying to deceive people. This is the future policy of the antichrist who "by peace shall destroy many", Daniel 8:25. This was the false message of the false prophets of the Old Testament. "From the prophet even unto the priest every one dealeth falsely. They have healed also the hurt of my people slightly, saying, Peace, peace; when there is no peace." Jer 6:13, 14. Jer 8:11. "Son of man, prophesy against the prophets of Israel that prophesy, and say thou unto them that prophesy out of their own hearts, Hear ye the Word of the Lord. Because, even because they have seduced my people, saying, Peace: and there was no peace..." Ezekiel 13:2, 10a. While these religious liberals are not willing to fight for truth, they are always willing to fight for error. "Thus saith the Lord concerning the prophets that make my people err, that bite with their teeth, and cry, Peace; and he that putteth not into their mouths, they even prepare war against him." Micah 3:5. How true this is of the National and World council of Churches which has repeatedly condemned free enterprise in America while sending millions of dollars overseas to help spread Communist aggression. PLEASE DON'T BE DECEIVED BY THE PEACE CRIES OF THE POLITICAL AND RELIGIOUS LIBERALS OF OUR DAY!!! We still have a Biblical alternative to Communist slavery. (adv.)

March On
Whether you are a fly fisherman, bowhunter, camper or just up for the weekend — Stop by the Old AuSable Sports Shop in downtown Grayling.
Our August Sale continues with many items for sale at wholesale prices. Fly rods, spinning rods, reels, arrows and select camping equipment have all been reduced.
To top it all off — fly fishing is still great on local streams. The Old AuSable Deer Fly, Trico and Grasshoppers are proving to be very effective during the day.
THIS WEEK'S SUPER SPECIALS:
Hodgeman Waders \$45.00 and
Pfleuger Graphite Fly Rods \$39.95

Youth Service Bureau

The staff at the Youth Service Bureau completed its seventh week of counseling and recreation. Where has the summer gone? This past week we provided sixteen hours of counseling and held the following activities for our recreation program:

Mon.: Exercise and Nutrition Class and a Photography Workshop - 10 students attended.

Tues.: Swimming at Pine Knoll - 16 students attended.

Wed.: Police Dept. Tour and Outdoor Games - 5 students attended the tour and 75 students attended the Milltown Children's Games.

Thurs.: Hayride in Mio - 15 students attended.

We would like to thank the following friends for their help and support this week: Jim Adams for putting on an excellent Photography Workshop, Larry Gust for the use of his pool, Mike Johnson for the tour of the Police Dept. and Pam Larrison for the hayride. We also want to thank the nice people at McDonalds and Airway Automation for providing prizes for the Milltown Kids Games.

This weeks special congratulations go out to the following:

Sibs for Kids Director, Helen Campbell. Helen, the Milltown Kids Parade was excellent! Bob Harrington, who is leaving our Board of Directors after serving out his term. Thanks so much for all your time and assistance. Bonnie O'dell, who just got married. Good luck to you and Dave! Amy Har- ned, who will be getting married August 13th. Good grief, another fox bites the dust!! Congratulations one and all.

Next week:

Mon.: Exercise and Nutrition and Fire Dept. Tour.

Tues.: Bowling

Wed.: Hartwick Pines Tour and an overnight camp-out. We will return Thursday afternoon.

Strolling Around Town

by Fay Bovee

Congratulations to committee chairmen and all who worked to make the Milltown Week a successful one. It was an excellent parade on Saturday and several business people have commented on the success, the cooperation, and the spirit

that prevailed all week. The Grayling State Bank should be congratulated on its clever use of an old tree stump; the toy soldier is a nice addition to downtown. The mountain ash trees are doing well downtown, the planter boxes are bright with geraniums on Cedar Street (1-75 loop), the petunias along the streets seem to be starting to look better. The rain helped a lot of flowers

and yards.

Davis' and Farm Bureau office on Michigan has some new carved planters which are very attractive and Mac's Drugs has an additional painting on their building.

Mrs. Gildner on State Street has her usual display of petunias and impatiens and around the corner Helen Harwood has a lot of flowers, trees, and a nice yard hidden behind the fence.

60 years ago, the Class of '23 was the largest class to date...15 members. Olga Neilsen was Valedictorian. From the Class of '28, we had one of our favorite Business teachers...Earl Gierke. I have said it before...his patience and interest in his students inspired so many to continue in this area of Education.

I now skip over the Golden Class of '33 until later.

One of our Board Members, Marie LaMotte Akers, observed her 45th Anniversary from the Class of '38. She has been an Elementary teacher for 24 years. And another one of our Business teachers, Beatrice Peterson Rowland (retired) is from this class.

Our Annual News letters are in the mail. Pass them around to your Alumni children and grandchildren who are not on our mailing list. Maybe we will get some more addresses and members. They are all welcome to attend the Homecoming event on September 10.

A pat on the back for Jon Thompson, Class of '75. He must have had an interesting English teacher...he learned well. Who said we don't teach our students how to

Citizens Want Tougher Educational Standards

Warren M. Hoyt, Executive Director, MPA

Most Michigan citizens want tougher educational standards in public schools, according to a poll recently released at a meeting of the State Board of Education.

The Poll was conducted by the board's Project Outreach staff and surveyed a cross-section of 400 Michigan adults by telephone during the last week of June.

The interviewees were asked to respond to recommendations made in a report issued last April by the National Commission on Excellence in Education.

The report, entitled "A National at Risk: The Imperative for Educational Reform," suggested that the United States would fall behind in economic competition with the rest of the industrialized world because of the inadequacy of American Schools.

The commission made a number of recommendations including stronger high school graduation and curriculum requirements, seven hour school days and a 200-220 day school year, and more stringent teaching requirements.

Primary financial and administrative responsibility for these changes were placed by the commission on state and local government.

While most of those polled in Michigan generally approved of the job their local schools are already doing (47 percent gave their schools an "A" or "B"), a majority favored implementation of many of the commission's recommendations.

The poll indicates, for example, that most Michigan citizens (75 percent) support high school graduation requirements mandated by the state.

The interviewees also supported stronger curriculum in a number of subjects, especially mathematics (92 percent favored a three-year requirement).

A requirement of four years of English was favored by 83 percent, while 67 percent favored three years of science, 66 percent favored three years of social studies and 60 percent a two year foreign language requirement for college bound students.

Requiring one half year of computer science was favored by 86 percent. Reading and math tests to be given before high school graduation were favored by 97 percent.

The controversial "merit pay" proposal was approved by 76 percent of those polled; 97 percent believed teachers should be required to demonstrate competence in the subjects they teach and 87 percent believed persons preparing to teach should meet higher standards; 56 percent said there should be pay increases for teachers.

Concerning the financing of educational improvements, 25 percent believed they should be federally funded, 21 percent said state funded, 18 percent said locally funded, and 25 percent thought the burden should be shared equally among the three; figures which indicate that half of the Michigan public disagrees with the commission's belief that state and local government should take full responsibility.

State Superintendent of Public Instruction Phillip Runkel said the financing of education should be shared by federal, state and local governments.

He also said he believed that the public would support higher taxes to implement improvements.

According to the poll, 47 percent of the people in Michigan would be willing to pay \$200 per year more in taxes for the improvements; 17 percent gave conditional support to the question and 32 percent said no.

Japanese Youths Visit Local 4-H Families

EAST LANSING, Mich.—A Japanese youngster is visiting a Crawford County 4-H family this summer through the Michigan 4-H/Japanese LABO exchange program.

1983 program participants include (left to right): James Boone, of Grayling, and Shigeo Yamanaka.

One Japanese youngster will have the opportunity to experience American family life this summer in Crawford County through the Michigan 4-H/Japanese LABO exchange program.

The Crawford County visitor is among 59 Japanese youths and advisers who arrived July 23 for a month long stay with families. All are members of Japan's language education LABO Party program.

The LABO/4-H exchange, initiated in Michigan in 1974, is coordinated jointly by the LABO International Exchange Foundation and the Michigan State University Cooperative Extension Service 4-H Youth Program.

"The LABO Party program is designed to create, through language, an awakening of international understanding and awareness among Japanese children," explains Ann Stephenson, Crawford County, 4-H Program Assistant.

More than 60,000 youngsters are tutored through the LABO Teaching Information Center in Tokyo. Starting at an early age, the children listen to tape-recorded English and Japanese stories and then dramatize

the characters in English.

Japanese youths visiting Michigan have been paired with 4-H member of the same age and sex. Host families are encouraged not to change their daily routine, because the intent of the LABO program is for the youths to experience daily family life in American homes.

The Crawford County 4-H family hosting the young people include Bill & Carol Boone and children Jim and Mary Beth of Grayling.

"We are excited about the opportunities for these youngsters of two different cultures to establish close relationships during the next month. We hope some of our 4-H hosts will visit their LABO friends' homes in Japan next summer," Stephenson adds.

Dear B. Lennert:
Thank you for your comments concerning the definition of "professional" in the Crawford County Fair premium book. It is apparent that the current definition needs to be amended to clarify and to express the intent of the Crawford County Fair Association.

Therefore, under general rule number three of the 1983 Crawford County Fair premium book which declares that "the board of directors reserves the final and absolute right to interpret these rules and to settle and determine all matters, questions and differences. It further reserves the right to amend to or delete from these rules."

The board of directors hereby amends general rule nineteen of the above mentioned premium book to read as follows:

A professional is someone who has received cash or goods in return for a specified article and the cash or goods received constitutes the primary source of income of that person.

It is the intent of the Crawford County Fair Association to encourage persons to participate in the county fair and to assist all toward this end. If any person has any questions concerning the county fair please call 348-8778 or 348-2841 ext. 265.

B. Lennert, thank you again for your concern and tell your friends of this amendment to the rules. I am looking forward to seeing you at the county fair.

Very truly yours,
Harold Mertes
Chairman

Putting A Sting In Pest Control

Texas A&M researchers have discovered a new family of viruses carried by wasps that may provide the key to controlling crop-destroying insects without chemicals. The discovery could also prove important in understanding how insects carry and transmit other viruses. The virus protects the wasp's eggs, which are planted in the body of a caterpillar, from being destroyed by the caterpillar's immune system.

Frederic Community Library

The Frederic Community Library Advisory Board met on August 1, with five members present.

We now have \$10,710.78 in the Building Fund. We hope to have enough money when there is a grant available.

We are planning a bake sale, rummage sale, and white elephant at the Frederic Sportsman's Club on August 27 from 10:00 a.m. till 5:00 p.m. Anyone with clean rummage may bring it to the Sportsman's Club August 26 at 7:00 p.m.

The next meeting is September 19, with Barb Verlinde as hostess.

Cancer Society Meets

Officers of the Crawford County Unit of the American Cancer Society met July 22nd at the Grayling State Bank. Nancy Dean announced that the crusade goal of \$8,225 has nearly been reached. Jo Nimke was introduced as the 1984 Crusade Chairman. The new Public Education Chairman will be Georgia Moore, taking the place of Rose Duley, who has served on the board for four years. Officers were re-elected: Jack Alef, President; Valerie Lehti, Vice-President; Joyce Ingalls, Secretary-Treasurer.

INSPIRED BY MURALS—Mary Partridge, 50, of Grayling, finished her first mural on a wall at the Americana Apartments after taking up painting last year. Partridge, who just completed high school through G.E.D. testing, said the murals in downtown Grayling inspired her. She plans to continue painting while enrolling at Kirtland College this fall for 16 credits of course work in cosmetology.

Florida Accordionist Beats Heat With Grayling Summer Engagement

Grayling is the place to beat summer Florida heat and crowds for accordionist George Genoff.

Genoff, who is currently playing at Chief Shoppengons Hotel, used to travel the United States playing at big night clubs from Vegas to Detroit. But now he splits his time between Florida in the winter and Michigan in the summer.

Besides ducking the hot Florida summers, Genoff says he avoids the crowds in the sunshine state.

"It's really getting bumper to bumper down there," Genoff says. "I like the easy tempo of life here. I love this area and would like to someday settle here. I still enjoy the four seasons."

Genoff, a native of Detroit, started on the accordion as his first music instrument and began playing in bands in 1946. He became well-known with his partner Gerry Gerardo as the "Two G's" playing in Vegas night clubs and other entertainment centers.

At the Hotel he performs Wednesday through Saturday 4 to 8 p.m.

IN APPRECIATION

Our heartfelt gratitude to those who shared in our sorrow of the loss of my brother. We especially thank Rev. Haskel, ladies of St. John Lutheran Church, Moose Lodge, Mercy Hospital personnel and all who extended their kindness and compassion. It will be long remembered.

Fall Registration at Kirtland August 23-24

Registration for the fall semester at Kirtland Community College will be held August 23 and 24, from 9 a.m. to 6:30 p.m., in the Student Services Office in the Administration Center.

Tuition and fees are due at the time of registration. In-district tuition is \$20 per credit hour, \$26 for out-of-district, and \$32 for out-of-state. A one time \$10 application fee is required of all new students.

Students must have a schedule signed by an advisor before registering. In addition, students will need to show two (2) proofs of residency at the time of registration. These include: rent receipt, driver's license, tax receipt, voter registration card, or an I.D. Card from the Secretary of State office.

For further information, contact the Student Services office at Kirtland at 517-275-5121.

Doodles From The Tall Timber

This dry weather has spelled disaster for more than just area lawns. The smoke in the wind recently has told of fire-fighting crews struggling to control fires even while the fuel everywhere continues to become even more dry. The soil is so dry that even the oaks are dropping their acorns. The acorn crop promised to be good this year because the frost didn't hurt the late-blossoming oak. The Hawthorn (thorn apple), which were so loaded with blossoms, are losing their fruit also. The partridge and mice are likely to find a shortage as fall approaches. The amount of fruit on the Juneberry is far less than in previous years, so those of you who would make wine or jelly are going to have problems finding enough as you compete with the wildlife. The blackberry flowers turned the thickets white, but the vines in many cases are dry to the point of being brittle, so blackberry pie won't be available for another year. Where I have found wild plums in the past, there are a few that look like well-dried raisins. This dry spell is not good to be sure. I suspect there will be lots of snow since our Great Lakes are nice and warm which will mean lots of warm moist air rising to meet the arctic chill sliding in from the north. The moisture we need may be just another season and far away.

Brian Wilson With Marines

Marine Pfc. Brian A. Wilson, son of Irlwyn L. and Joyce Wilson of Grayling, is currently serving as a member of Marine Medium Helicopter Squadron 264, Marine Corps Helicopter Air Station New River, Jacksonville, N.C.

The squadron has been presented the Navy Unit Commendation of its recent performance as part of the Multi-National Peacekeeping Force in Beirut, Lebanon.

Serving as part of the 22nd Marine Amphibious Unit, the squadron's pilots and crews flew more than 2,500 accident-free flight hours to transport cargo and over 19,000 passengers. The squadron also assisted in search and rescue efforts for snow-stranded Lebanese in the Syrian-held mountains and dropped food and fuel to towns and villages unreachable by road.

Pig Roast-Luau at Country Club

With the expertise of Smoke Meyers in charge of the roasting pig at the annual Pig Roast and Luau, a very successful party was held at the Grayling Country Club on Sunday afternoon, August 7. Assisted by committee chairmen, Dale Nielson and Herb Olson, the pig was done to perfection and greeted by an enthusiastic group of about 80 people. Golf was Best Ball for the afternoon with a three-way tie going to the Melvin Nielsons and Dale Pettengills, Jerry Parks and Bill Scheers, and Bud Sidwells and Charlie Vajdas. Vern Blaha had the longest drive on No. 9 while Bill Joseph had the longest drive on No. 2. Liz Vajda had the longest drive on No. 9 and Shirley Parks was closest to the pin on No. 2. Many laughs were in order while everyone watched their golf on video tape.

Cindy Olson and Barb Nielson did a fantastic job on the decorations with "palm trees" hanging from the ceiling, swaying in the breeze, and guests were greeted after golf with leis and "grass skirts." Many of the guests were attired in appropriate Hawaiian dress with prizes for the best dressed going to Don and Elsie Jansen, 1st prize; Bob and Fay Bovee, 2nd prize and Bruce and Corrine Smith, 3rd prize. First prize was donated by Frank and Helen Corbett.

Accompanying the roast pork was salad, baked potatoes, rolls, fruit, and sherbet. During the cocktail hour the guests snacked on melon fruit cups. Helping the Nielsons and Olsons with the dinner were Gordon and his waitresses, Julie, Heidi and Susan.

Carl and Rose Hatfield accompanied Jim and Phyllis Bond of Lansing to Shipshewana, Indiana, where they spent four days shopping and sightseeing.

On July 30, Carl Hatfield attended the 23rd Annual Traverse Bay Outdoor Art Fair held on the campus of Northwestern Michigan College. He displayed, demonstrated and sold baskets. On August 6, he attended the Lewiston Fun Country Art Fair where he also demonstrated and sold his baskets. This coming weekend, August 13 and 14, he will be doing the same thing at Michigawee.

Mrs. Eunice Slusser spent ten days in Bluffton and Columbus, Ohio, where she visited her brothers and their families. For the past week, her family have been visiting her. Dale and Yvonne Slusser, Dawn and Lisa of Madison, Wisconsin, were here, Kyle Slusser, Hope and Paul will remain for another week and Raylene Slusser came for the weekend of August 5.

Dave and Kay Hoag and Laura of Seattle, Washington, will arrive Sunday to visit her parents, Don and Elsie Jansen.

The latter part of July, the Don Jansens attended the Greater Muskegon Plumbing Association's annual cookout. Recent visitors of the Jansens were Don and Lucille Priest of Dearborn.

PICNIC TABLE DONATED—The Lovells Hook & Trigger Club joined the community in backing the Grayling Fish Hatchery by donating a picnic table made by area persons. Hatchery manager Howard Hatfield accepts the table from George Wengeier, president, Abbott Walker, and Al Proulx. Others contributing but not shown are Bob Kellogg, Bob Hartwig, and Tom Miller.

Community Band Still Rehearsing - More Musicians Needed

The recently organized Grayling Area Community Band is struggling for existence with six to ten faithful participants returning to Hanson Park each Thursday evening at 7:00 p.m. for rehearsal. All musicians of the area are encouraged to attend the rehearsals and lend their support to the organization of a community band for our area. Anyone, regardless of age, who plays or once played a band instrument should plan to attend at least one rehearsal of the band. The band holds rehearsals at Hanson Park. For more information call 348-9266.

Bits O'Talk

by Fay Bovee

Patty Hill, daughter of Paul and Pat Hill of Beaver Creek in Crawford County was one of the Central Michigan University sophomores who scored in the top 10% of her class which put her on the honor roll for the winter semester. She is majoring in computer science.

Mrs. Jewell Ward and son, Rodney Ward of Avon Park, Florida, is spending two weeks in Michigan visiting her family, most of the time being spent in Grayling.

Don and Kris Gravelyn are the happy parents of a boy, Daniel Lee, who was born on August 6, 1983, at Northern Michigan Hospitals, Petoskey. He weighed 8 lbs. 12½ ozs. and was 20½ inches long. Grandparents are Roy and Bonnie Knight and Don and Betty Gravelyn, all of Grayling. Great grandmothers are Mrs. Jewell Ward of Avon Park, Florida, and Mrs. Margie Knight of Honea Path, South Carolina, and great grandparents, Mr. and Mrs. J.C. Van Hammen of Grand Rapids.

Mrs. Peggy Blaha of Pompano Beach, Florida, spent two weeks in Grayling visiting Mrs. Jean Gothro. From here she went to Troy, Mich., to visit her son, George Blaha.

Mr. and Mrs. Robert Desormes of Mt. Pleasant spent the weekend with the Carl Hatfields.

M.D. Benefit Dance Success

The Swinging L's Square Dance Club appreciate all those who participated in the M.D. Benefit dance, July 28th. Dancers enjoyed the calls of the north country's talented callers, Bill Towner of West Branch; Andy Anderson and Mrs. Anderson of Lupton; Jerry Featherly, of Petoskey and newcomer Larry Koss of Gaylord.

We cordially invite you to attend the bi-monthly club dances held on the 2nd and 4th Thursday at the Lovells Twp. Hall, Jerry Featherly caller. Special Saturday dances are held at the Northwoods Club in Luzerne, the next of which will be September 10.

Dance Lessons To Be Offered By Arts Council

Good news for dancers! The opportunity for dance lessons has not been lost to area dance students: The Crawford County Arts Council recently purchased the equipment from Louise's Dance Studio; and, beginning in mid-September, the CCAC will be offering a variety of dance classes at the same location in the Grayling Mini-Mall.

All Arts Council members are eligible to enroll in dance classes, as well as being entitled to the other services offered by the organization. If you are not yet a CCAC member, but intend to enroll in a dance class, write to the Crawford County Arts Council, P.O. Box 1, Grayling, 49738, or call membership chairman Lorna Morse (348-7037), for membership information. The annual dues are: Students and Senior Citizens (over 60): \$5; Individuals: \$10; Families: \$15; Sustaining Members: \$25; Patrons: \$100 or more.

Registration for fall classes will be held in late August. Articles in future issues of the Avalanche will contain definite information. Classes will probably include those offered in the past: Beginning and Intermediate Ballet and Tap for children; Advanced Ballet for young people; Open Jazz; and other adult classes (such as Ballet and Tap) if interest warrants having them.

The CCAC welcomes new members at any time. Business meetings are held on the first Tuesday of every month at 7:30 p.m., in the Conference Room of Northern National Bank, are open to all members.

Thank You

Grayling Co-Op Nursery wishes to give a big thanks to those who came to our rescue following the Milltown Parade. Our thanks go to Staff Sgt. Pete Nelson of the Michigan National Guard and the Sheriff Dept. Your assistance was greatly appreciated.

Record Set at Milltown 10K; 8 Locals Break 40:00 Mark

Dan Elbright, 17, of Suttons Bay, smashed the Milltown 10K record by 55 seconds Saturday taking first place overall with a time of thirty two minutes and 44 seconds.

Scott Gaines, of Burt, who won the three previous Milltown 10K races, took second at 34:13. Elbright won the 6.2 mile race by running a 4:50 first mile and then hung on as the heat picked up quickly following the 9 a.m. start.

The first Crawford County male finisher was Eric Gardey, 18, of South Branch Twp. His time of 36:22 was the best finish ever for a Crawford County runner in the four Milltown races.

Gina Medley took the prize as first female Crawford County finisher with a time of 45:40. Medley, 15, also won her age division (13 to 15 years old).

Barbara Wade, of Grayling, won the female 25-29 age with a 48:43 finish and Nancy Webster, of Roscommon, won the 35-39 age division with a 47:14.

Seven other Crawford County runners along with Gardey broke the forty minute mark as local runners put on their best showing ever in the race. Last year only one county runner broke the 40:00 mark.

Behind Gardey who was 6th overall, was Bill Dean,

9th, 37:04; Jim Gardiner, 14th, 38:39; Doug Moggo, 15th, 38:49; Geoffrey Stancil, 16th, 38:57; Butch Stockton, 19th, 39:33; Larry Yoder, 20th, 39:36; and Tom Gates, 22nd, 39:57.

10K race in 88 Fahrenheit temperatures. Complete results of the race will be published in next week's Avalanche.

Ole Henry Bulletin

A report came into this office from the Officer of the Day at Camp Grayling that on Saturday, Aug. 6th. Two warrant officers had sighted what they thought at first was a small submarine just below the surface near Big Bear Point of Lake Margrethe. After circling the area for approximately 30 min. the object surfaced, exposing a dorsal fin of at least four feet in length.

This is the latest of many reports that have cleared this desk. Our staff has contacted the Michigan D.N.R. and the U.S. Dept. of Interior, we are not sure, but "Ole Henry" may be on the rise again.

Any additional sightings of "Ole Henry" should be sent to President Billy, c/o this paper.

P.S. The two warrant officers would not take a breathalyzer test and also refused permission to release their names or the fact that they enjoy Natural and Passport.

JOINS CRAWFORD COUNTY AND THE CITY OF GRAYLING IN WELCOMING THE MICHIGAN NATIONAL GUARD TO OUR COMMUNITY

August 8, 1983
Promotional Assoc. of Grayling
Post Office Box 155
Grayling, Michigan 49738

TO ALL MILITARY PERSONNEL:

On behalf of the Promotional Association of Grayling we are delighted to have the Michigan National Guard with us again this year. For many of us it will be an opportunity to see and serve old friends, and to make new ones.

Throughout the past years the community of Grayling (and all of Crawford County) have been working together. Many times we have called upon the Guard to help. Sometimes for beautification projects such as the bridge over the beautiful AuSable River, and sometimes to help with forest fires that have swept the county. The Guard has always been ready with men and equipment.

We are proud of the Guard - as we are proud of the country they serve. Whatever we can do to make you feel more welcome we will strive to do.

We hope you have a pleasant stay this year....that the sun smiles on your encampment, and we look forward to seeing you again for many years to come.

Sincerely,

Judith H. Gibbons, President

On behalf of the 8,000 plus men and women of the Michigan Army National Guard, it is my sincere privilege to express our thanks to the citizens of Grayling and nearby communities for your support and open hospitality, not only for these two weeks, but year round as well.

Our encampment this year will continue to move us toward our readiness goals and your support and spirit of accommodation certainly bolsters our efforts.

I am looking forward to working with the business and civic leaders of the Grayling area in continuing the excellent spirit of cooperation and friendship we have shared over the years.

Thank you for this opportunity to express our appreciation.

Dunckley-Davis Vows Spoken

The marriage of Julie Dunckley and Gordon Davis took place on May 14th at St. Mary's Catholic Church with Father William Rabor officiating.

Cynthia Kogelman, sister of the bride, was her matron

of honor and bridesmaids were Lisa Dunckley, Lee Ann Dunckley, and Marnie Newberry.

The wedding procession was led through a floral covered arch by an 8 year old niece and nephew of the bride, Miranda Kogelman and Ryan Dunckley, who carried roses and presented them to the parents of the bride and groom. Brian and Michelle Dunckley, also a niece and nephew of the bride, were the ring bearer and escort, while tiny Elizabeth Kogelman acted as flower girl for her aunt.

Jim Herzer was the best man and the groom's attendants were John Gall, Steve Dunckley, and Brian Dunckley.

The bride's gown, fashioned in the style of the early nineteenth hundreds, was embedded with pearls. Her full length veil was also fully edged in tiny pearls.

Candles laced with silk flowers were carried by the bride and her attendants who were all attired in pale pink lace gowns, also reminiscent of the early nineteenth hundreds. The little girls carried white lace parasols.

A reception for 400 was held at the Holiday Inn with out of town guests from Wisconsin, Illinois, Virginia, and Oklahoma.

After returning from a honeymoon in Mexico, the couple are residing in their new home at Tamarack Circle.

Atkinson Reunion

The Alexander Atkinson family met at Hampton Township Park, Essexville, for the 24th annual reunion on Sunday, July 31. It was a perfect day for the picnic, tennis, baseball, roller-skating, for 63 members and 2 guests. The largest family was that of Ruth and Ross Atkinson who had 14 present, including the youngest, Faye Barrigar, all from Bay City. Oldest member was Dick Woodbury, Midland. We bid farewell to Pat and Roy Atkinson, Bay City, who will move to Harrisonburg, Va., in October, and Barbara and Curtis Bedbury from Elizabethtown, Ky., who will go to Belgium for several months in the interest of Dow. Jill Eyre, Brattleboro, Vt., came the farthest. We are spreading our wings but love of family brings us together.

The Committee for this year was Grace and Taylor Langstaff, Bay City, with their daughter, Carla and husband, Dale Maxim,

Essexville. Their complete family was present...son, Taylor, grandsons, Chad and Sean Maxim were on the welcoming committee.

We look forward to the 25th in 1984 with a new committee...Mary and John Martin, Bay City...Mary and Norman Sorenson, Mt. Pleasant. Those attending from Grayling were...Clara Atkinson Sorenson, Nancy and Bill Cox, daughter, Elissa and son, Joel, Traverse City.

We all say "thank you" for the fine job done by those in charge this year.

Clara Sorenson

Thank You

To all the wonderful people who prayed for, visited, sent cards, gifts & flowers, while I was in the hospital, their support was a great help to me.

I also want to thank the Drs., nurses & clergy who work so hard to keep patients comfortable.

We of the Grayling area are fortunate to have Mercy Hospital in our vicinity. May God Bless each one.

Love,
Evelyn Gardiner

Crawford County Board of Commissioners

SYNOPSIS

June 14, 1983 Meeting

The June 14, 1983 meeting of the Crawford County Board of Commissioners came to order at 9:35 a.m. with all commissioners present, but Miller. Thirteen visitors also attended at various times throughout the day.

The minutes of 5/26/83 were accepted with minor amendments, after which 38 pieces of correspondence were acknowledged and reviewed. Among these:

- A request from Undersheriff Ruddy to allow Milltown exhibits on the Courthouse parking lot received no objection, provided the blacktop would not be damaged by excessive weight.
- A \$2,000.00 grant was received for equipment for the Marine Safety Program.
- A June 22nd meeting was scheduled to review the Manpower Consortium's Staff Utilization Analysis for the County.
- A report was given on the financial status of Hanson Hills and the Grayling Recreation Authority. The Authority will schedule a meeting with the four governmental units involved to further discuss the future of the ski park, and recreation in the county.
- A motion was passed to request Blue Cross-Blue Shield to schedule future hearings on policy revisions in the Grayling area so that Northern Lower Michigan residents can participate.

COMMITTEE REPORTS included:
FINANCE: General Fund vouchers totaling \$54,534.32, Fish Hatchery vouchers of \$252.25 and Airport bills totaling \$728.48 were approved. Commissioner's salary, per diem and expenses were approved respectively as follows: Kitchen: \$200.00, \$230.00 and none. Harland: \$150.00, \$330.00 and \$89.98. Neilson: \$150.00, \$150.00 and \$59.84. Mattis: \$150.00, \$230.00 and \$155.76. Weiser: \$150.00, \$140.00 and \$2.64. Joyce: \$150.00, \$180.00 and \$53.02. The Civil Defense Director's salary was withheld pending search of the contract with the County, and a review of the County's Civil Defense Plan update.

MENTAL HEALTH: Medicare programs were reviewed for improvement of services to participants, and more guidelines and hours are needed for the psychologist. Cadillac residents favor the Family Training Home concept, but object to its location. The last Audit Report of North Central Mental Health has received many favorable comments from other Health Services.

DEPT. OF SOCIAL SERVICES: Distribution of funds for emergency uses must be organized. Refrigeration is a problem for the surplus food program.

NEMSCA: Commissioner Harland asked to be removed as delegate to NEMSCA because its schedule conflicts with other responsibilities.

MICH. NORTHERN COUNTIES: New changes in the Friend of the Court laws will be reviewed at the June 20th meeting.

IDC: The committee is being re-designed. Next scheduled meeting is July 19th in the City Council Chambers.

ROADS & BRIDGES: Complaints were reviewed of large holes in county roads, which make it difficult for school bus routes.

NEMCOG: The A-95 project review Clearinghouse Committee background was reviewed. Lou Ann Taylor from Senator Binsfeld's office gave a resume on legislative happenings and the JOBS Program. The 1983 Annual Overall Economic Development Program Report was adopted. Rainbow Runaway Services program applications were recommended for funding. Correspondence between the NEMCOG A-95 Clearinghouse Committee and NEMSCA relative to high administrative costs associated with the program were reviewed. The MAC Legislative Draft Platform was introduced and approved. Phase II of Court reorganization is dead for 1984, and possibly 1985. Grand Traverse County Sheriff is pursuing a forensic unit to be established at Traverse City. A resolution will be drafted and considered in support of this action. MAC's tentative budget in the amount of \$514,600.00 was presented. A word processor is under consideration. Mattis recommended that Commissioner Miller be considered for appointment to the Michigan Inventory Committee. Later information indicated that Commissioner Joyce was also interested in this appointment. There is confusion over the entity named as Service Delivery Area for the eight county area. A PIC has been appointed for the third time. A resolution had been drafted and submitted to counties requesting support in naming NEMCOG as the applicant entity for designation as the Small Business Development Center. Power struggles and justification of positions remain a problem between NEMCOG, NEMSCA and the Manpower Consortium. Discussion held on the possibility of two area counties discontinuing NEMCOG membership.

RESOLUTIONS: Adopted were Resolutions:
• Designating Northeast Michigan Manpower Consortium as a Small Business Development Center.
• Acknowledging NEMCOG's 1983 Annual OEDP Report for Northeast Michigan.
• Opposing the 1983 Supplementary Appropriation to the International Monetary Fund.

SHERIFF'S REPORT: The Inspection Report from the Department of Corrections was referred to Law Enforcement for review and recommendations. An inquiry was made relative to alleged drag racing between two deputies. Discussion followed on the appropriate place to file reports, witnesses filing complaints, harassment, and the age of officers. The matter was referred to the Sheriff Department.

TREASURER'S REPORT: Funds have been received from Maple Forest Township to cover the Bradford Lake Drain Order.

CLERK'S REPORT: The Clerk, and Deputies Moore and Lowrie will be attending a seminar on June 23rd in Traverse City on new procedures under the Friend of the Court Act. Prices of \$138.00 to \$176.00 have been obtained on a gas powered grass whip. The County has since been gifted an electric whip. Trout Unlimited will be presenting a picture of "Fishing on the AuSable" to the Commissioners on June 15th. Township participation on the relocation of the antenna was discussed, and statements will be issued to South Branch, Lovells, and Beaver Creek Townships.

ADDRESSING THE BOARD:
• Col. Ivan Gwilt, Commander at Camp Grayling, discussed the Environmental Assessment Report relative to the two buildings being constructed at the Camp. Gwilt also informed Commissioners of the method of disposition of hazardous wastes, the name of the commercial hauler awarded the waste disposal bid and the distribution ratio of shared expenses at the airfield. In addition, many questions related to policy and environmental concerns were answered.

• Commissioner Joyce presented a slide presentation on the Land Use Inventory Mapping Project recently completed through grants to the County.

• Bill Kane, Architect, reviewed the Jail Study Plan. Remodeling to comply with Dept. of Corrections standards would cost \$805,000.00, compared to a new facility priced at \$1,700,000.00.

• Gary O'Berski, C.P.A. and staff reviewed in detail the General and Revolving Fund Audit as of December 31, 1982. The Audit Report was accepted as presented.

• Bob Smock, Fish Hatchery Committee Chairman, presented a project update. Over 3900 people visited the site in the first 13 days of operation; and gate donations and vending machine sales have generated over \$800.00. More grants are being sought, and the need for contractual services for security and sales tax will be requested from the Prosecutor.

IN OTHER BUSINESS:
• The Prosecutor was authorized to purchase a business reply permit for subpoena post cards at a cost of \$40.00.
• Mail O-Grams were ordered sent to House and Senate Budget Committees, urging an \$800 million increase in General Revenue Sharing for local governments.

• The Chairperson was authorized to contact Senator Riegle to request that he support HR 1213 as reported from committee.

• Elizabeth Wieland and Randy Thompson were appointed County Representatives to the Grayling Recreation Authority.

• Commissioners were reminded of the MAC Conference in August, where Commissioner Mattis will be running for election to the MAC Board of Directors from Region 2.

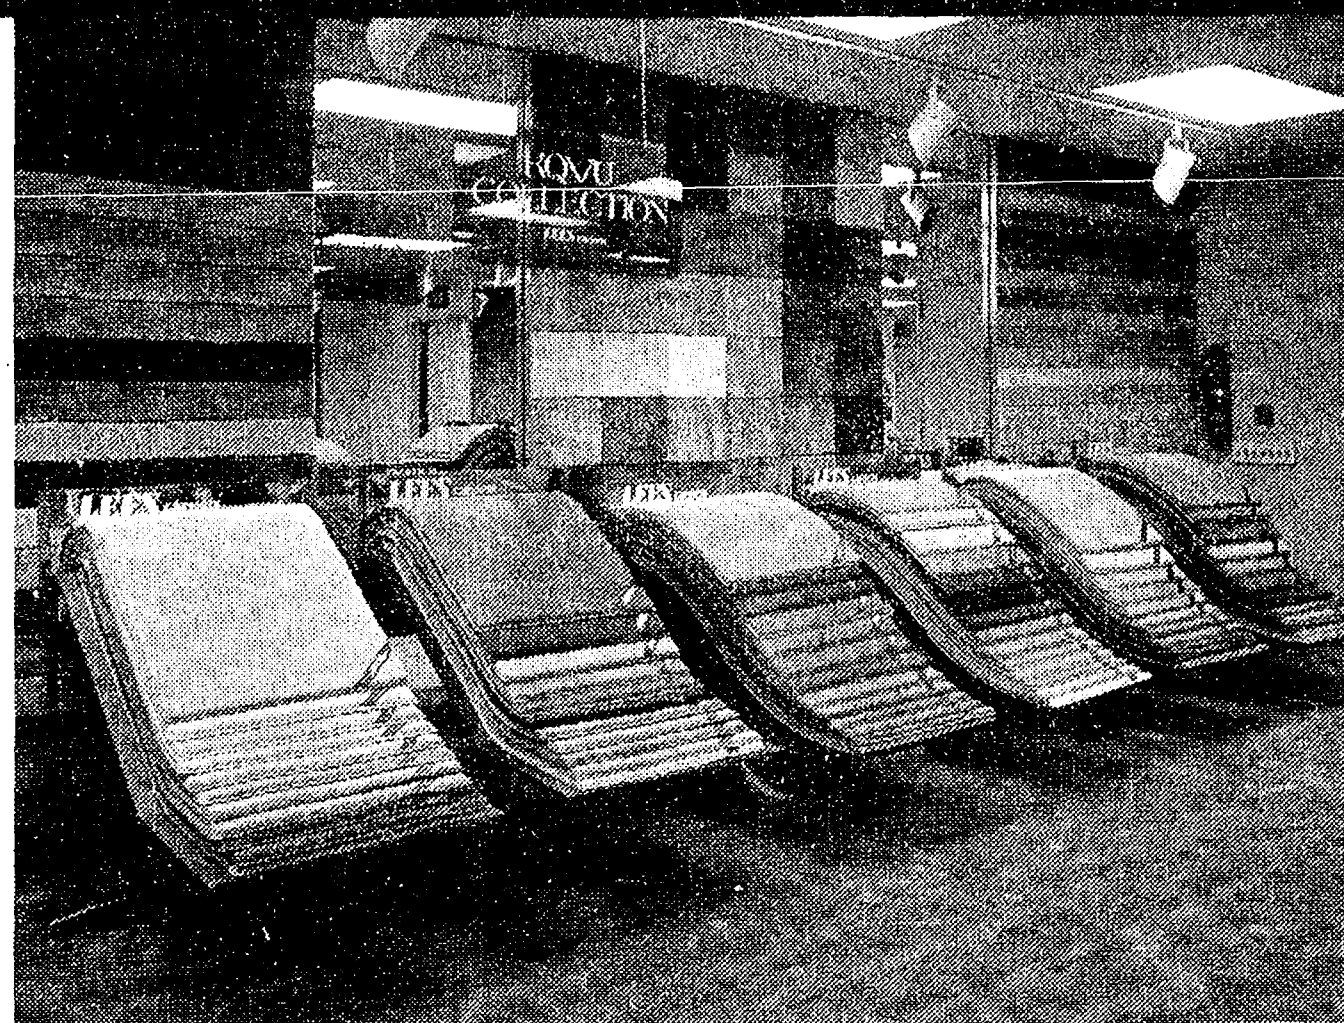

Meeting adjourned at 6:35 p.m.

Dear Editor:
Events at a recent Minor Little League game prompted some discussion in the bleachers. The discussion brought out several issues about which we would like to comment and pose a few questions to the Grayling Little League Board of Directors.

1. There appears to be a problem in scheduling umpires for the minor league. Would it not be more appropriate to begin the games at 5:30 p.m. or Saturdays so that more working parents could participate?

2. The present umpiring system seems quite disorganized. Are training sessions held each Spring for new umpires so that rules are uniformly understood and applied and umpires taught how to handle themselves in calling the games?

3. Parents are constantly besieged with fund-raising projects for athletics, school, etc. With the economic conditions as they are, many families don't have the \$4.00 or more to buy whatever "goodies" are being promoted to help Little League. Several people in our neighborhood were willing to contribute whatever profit was made on an item to Little League but did not purchase a promotional item due to cost. How much profit was made per sales dollar or per item and would it not be as effective or more effective to solicit cash donations and eliminate the monies going to the coffers of the companies pushing the sales items?

4. Are the profits obtained for Little League used to benefit all participants, i.e., paying the electric bill for lights, maintaining the field, buying equipment, or compensating umpires? Is an annual statement issued showing the disbursement of funds?

The above question came about because of a similar fund-raising situation in Junior Pro Basketball. That organization had funds to send coaches and an all star team to southwestern Michigan for an exhibition game but lacked funds to purchase trophies for the local age bracket champions. One coach bought trophies so that his young players would not be disappointed. We would hope Little League is for all participants.

We await the response from Grayling Little League.

Very truly yours,
Warren and Ann Doten

Par For The Course

by Fay Bovee

A very successful Gaylord Day was held on July 27, 1983, at the Grayling Country Club with 27 Gaylord women coming down for the day. For the Grayling women, it was a most successful day as they came in with low net to take back the traveling trophy for 1983. The last time they had won the trophy was in 1979.

First place for low gross was Corrine Smith with a 44 and 2nd place was Shirley Bendig with a 45. Thelma Bateman, Lucille Berry and Alice Motz tied for 1st place low net with a 31 and Nancy Pike and Babe Aderente tied for 2nd with a 32. Sylvia Johnson won closest to the chalked bullseye in fairway No. 1 with her drive and Nancy Pike won closest to the pin on No. 3 with her drive. Liz Vajda won the longest drive on No. 5, Janet Webb was closest to the pond on No. 6 with her drive, and Shirley Bendig was closest to the pin on No. 8 with her drive.

Following the cocktail hour and hors d'oeuvres, a luncheon of chicken salad was served and prizes were awarded.

I enjoyed the Milltown Parade. The Baldwin High School Band was great. Understand the committee had to negotiate for an out of town band. Crawford-AuSable Schools - for shame!!

And now you want us to vote yes on a new school?

Open House for 50th Anniversary

The children of Cecil and Clois Canfield will be holding an open house for their parents on Sunday, August 14, 1983 at their parents home in honor of their 50th wedding anniversary. Friends and relatives are invited to stop in between 2:00 and 6:00 p.m.

Your Week Ahead Horoscope

Forecast Period: 8/14 - 8/20/83

- ARIES** Mar. 21-Apr. 19 Adjust your social life to fit the needs of your business relationships. Play the game as the need arises.
- TAURUS** Apr. 20-May 20 Your private domestic affairs tend to be more stable. An air of contentment settles around you.
- GEMINI** May 21-June 20 Get a little more settled routine in your daily tasks, and avoid tension build-up. Take time for relaxation.
- CANCER** June 21-July 22 Be alert to changing trends. An opportunity comes up for adding to your store of valued assets.
- LEO** July 23-Aug. 22 Vitality and aggressiveness are stimulated. Avoid confrontations by making your feelings work for you.
- VIRGO** Aug. 23-Sept. 22 An inner excitement prompts you to finalize plans to be set in motion in the near future.
- LIBRA** Sept. 23-Oct. 22 Social activities and organization membership demand much of your time. Be practical where friends appeal to your sympathies.
- SCORPIO** Oct. 23-Nov. 21 Things are happening fast on the professional front. Take it in stride and avoid disruptive action.
- SAGITTARIUS** Nov. 22-Dec. 21 You may experience a period during which you are so deeply stirred that you cannot fully express your desires.
- CAPRICORN** Dec. 22-Jan. 19 Keeping up with the Joneses wears a little thin. Good judgment in handling finances is quite essential.
- AQUARIUS** Jan. 20-Feb. 18 Shift with the times. Analyze conditions and then make your own decisions. Others look to you as the pioneer.
- PISCES** Feb. 19-Mar. 20 Attunement to the moods of co-workers assures smooth relationships in the work-a-day world, and a lighter atmosphere.

HARD HATS MAKES SENSE

They're not the most comfortable type of headgear, but they've become the badge of the construction industry. No good superintendent will let you step on his building site without one.

The idea of protecting ourselves against possible hazards is an ancient one.

Through the centuries it has had its religious counterpart. The Bible urges us to put on the whole armor of God.

Each week in our churches and synagogues we can prepare ourselves spiritually for the challenges tomorrow will bring. We can strengthen our souls to meet and overcome whatever dangers might one day confront us.

Gen-Tel Reports New Twist To Old Fraud Game

There's a new wrinkle in telephone Calling Card fraud, according to John Russell, General Telephone security manager for Indiana/Michigan.

"It started on the west coast," Russell said. "An individual impersonating a telephone company service office employee calls a customer and, during the conversation, obtains his or her Calling Card number."

"This individual then informs the customer that the number is being re-issued, gives the customer a fictitious new number and proceeds to use the customer's valid number to place calls to points all over the world."

Russell said one victim received a bill totaling over \$18,000, after giving his Calling Card number to a "phony" caller.

"Calling Card numbers are the customer's private property," Russell pointed

out, "and should not be shared with anyone they wouldn't trust with a signed blank check."

Telephone companies do contact customers from time to time, Russell said, but "there would practically never be a reason for us to ask for the customer's Calling Card number."

Individuals receiving calls requesting Calling Card numbers are advised to hang up and call the local telephone company business office, using the telephone number found in the phone book, not any number given them by the caller.

Russell also pointed out legitimate telephone company personnel carry identification cards from the phone company and customers should not hesitate to ask to see the card, if personnel from the phone company come to their homes or businesses.

To the Editor:

They say that a family that prays together stays together, and in the case of the Crawford County community, the statement could be extended to say the community that plays together stays together.

That slogan was never more in evidence than last week when the citizens turned out to celebrate the 11th annual Milltown Festival. To thank all of the individuals who took on the monumental task of organizing the festival would be impossible. The very idea of the difficulty in thanking every person is proof of the fact that hundreds of persons worked behind the scenes to pull off what we consider to be the finest festival ever.

Certainly Michigan Ave. merchants were extremely cooperative, but thanks too must go to those other streets lined with fine places of business where the people also pitched in to do their share. It was way off on the back roads, too, where individuals worked long hours to get the job of running the program done.

Take the case of the man and his family who worked two days prior to the Mud Wrestling contest to cut foam rubber. Perhaps the case of the helpful local National Guardsmen who spent the better part of a day cleaning up the rubble from the event might also be a good example of the cooperation.

The senior citizens waded in to make this a successful affair as did many clubs, civic groups and committees not directly attached to the festival.

To attract visitors to this fine community demands the cooperation of virtually every local resident. That spirit was never more plain than during the 1983 Milltown Festival where citizens dressed up in the logging era costumes and showed the guests that Grayling and Crawford County can "roll out the red carpet."

It was a pleasure for us to take part in the excellent program and we believe the quality of life here was advanced by the cooperative spirit shown.
